Informational Meeting

The Board of Directors will be hosting an informational meeting **May 11th at 6:00 PM** at the Smoky Hill Library.

The Board will be discussing the possibility of changing some parts of the governing documents as well as the possibility of raising assessments.

All homeowners are invited to attend and discuss with the Board these proposed changes.

HOW TO AVOID RECEIVING VIOLATION LETTERS FOR YOUR RECREATIONAL VEHICLES

According to the Smoky Ridge Maintenance Association's Declarations and the Rules & Regulations, campers, boats, trailers and recreational vehicles are only permitted in the community for a maximum of 48 hours for loading or unloading purposes.

The management company conducts routine inspections of the property during the week and makes note of existing violations in order to send out letters. If you are planning a trip and plan to have a camper or RV in the community, please call Association Manager Mark Dougal at 303-671-6402, ext. 25 or send an email to Mark@withCPMG.com to ensure that your loading and unloading is not mistaken for an improperly stored recreational vehicle.

Governing Documents

Need to refinance? Selling your house? Your bank or realtor will need a set of your Association's governing documents and copies of minutes. Obtaining these has been made more convenient. Go to the CPMG website, (www.withcpmg.com) click on Smoky Ridge and you will find most of the information required. You can also go to www.smokyridge.org.

Pet Related Concerns

If you are experiencing any of the following problems with a neighborhood animal, please contact Centennial Animal Services at 303-325-8070 for assistance.

- Lost or found animals
- Sick or injured animals
- Abuse, neglect or cruelty
- Dangerous animals or animal bites
- Dogs running at large
- Barking dogs

They can help explain the laws and how they can assist with the situation.

In some cases, residents may need to write and sign a formal complaint that includes dates, times and the address of where the issues are.

COMMON LANDSCAPE ISSUES NOTED BY CPMG

The Smoky Ridge Association Board of Directors has engaged CPMG to perform two inspections of the community each month during the summer and one per month during the winter. During this summer season, extra attention is given to the landscaping. To avoid receiving violation letters, owners should take the following steps to maintain their yards:

- Keep yards weed free, including rock bed areas along the fences and on the side of the home. Common weeds such as dandelions can be treated by having your lawn professionally sprayed in the spring.
- Keep yards watered and patch dead spots in the lawn. The Association understands that there are watering restrictions in place, so owners are only expected to keep the grass as green as the majority of other yards in the neighborhood.
- Promptly remove and replace dead trees in the yard.
- Trim bushes and trees so they are not hanging over sidewalks or growing up against the fence or home.

If you receive a violation, contact Association Manager Mark Dougal at 303-671-6402, ext. 25, or at Mark@withCPMG.com, and let him know how you plan to remedy the problem. The Association knows some landscape problems can take time to rectify and will work with homeowners who communicate with the manager.

BACKYARD MAINTENANCE

The Association does not inspect the backyards from the community unless they are visible from the street without having to enter personal property. However, it is just as important that residents

maintain their backyard so it doesn't detract from their direct neighbors' enjoyment of their home. Residents are required to keep the backyard trimmed and free of weeds and trash. Although the Association does not inspect backyards, violation notices can be issued if a written complaint is received from a neighbor.

Written and signed complaints should be sent to the Smoky Ridge Board of Directors, c/o The Colorado Property Management Group, 2620 S. Parker Road, Suite 105, Aurora, CO 80014.

WHAT TYPE OF HOME IMPROVEMENTS REQUIRE ACC APPROVAL

Summer is right around the corner along with the perfect weather for exterior home improvement projects. Please remember that you must obtain approval from the Architectural Control Committee (ACC) if you are planning exterior modifications including, but not limited to:

- Painting your home (even if retaining the same colors)
- Replacing windows
- Concrete and fence replacement
- Shed or playground installation
- Front yard landscaping modifications

Homeowners may obtain the necessary maintenance application form online at www.smokyridge.org or at www.withCPMG.com/Smoky_Ridge or by contacting Association Manager Mark Dougal at 303-671-6402, ext. 25 or at Mark@withCPMG.com.

Updated Website!

The Board of Directors hope you will visit the newly updated smokyridge.org website and acquaint yourself with its content! One of the primary goals in maintaining the website is to help our homeowners foster a sense of community, which is crucial to any neighborhood. The Board and CPMG will be continually updating the online content to bring you the latest and most relevant information about YOUR community and HOA. The calendar will keep you informed about topics important to our community such as the status of special projects and upcoming meeting times and locations. Meeting minutes and HOA financials will be posted as they are approved by the Board.

Upcoming Board Meetings:

May 8, 2017
June 12, 2017

Held at 6:30 p.m. At Peakview Elementary
School—Library

Centennial, CO 80015
