

Join the Ting Team for a live Q&A session

Starting soon in your neighborhood. We're Ting and we are building the fiber network here in Centennial. Construction is starting soon in your neighborhood. We are hosting a FREE live virtual Q&A session to answer any questions you may have. It is an information only event. But we will make it educational and fun.

We will be hosting a live session:

* January 27th from 5pm-6pm

But that's not all...we will also be giving away a Google Mesh Router to the lucky winner during the session. Also, if you attend a session and pre-order Ting gigabit service, you will receive a \$25 gift card and be entered to win a \$100 YouTube TV gift card.
